Phoenix, Arizona 85007

RE: DECISION NO. 71448
ACC DOCKET NO. E-01345A-08-0172

In Decision No. 71448, the Commission required APS to:

IT IS FURTHER ORDERED that Arizona Public Service Company shall file with the Commission [a plan] for adding at least 250 Megawatts of Commercial and Industrial or Residential Demand Response with Docket Control for Commission consideration no later than 60 days from the effective date of this Order. *ACC Decision No. 71448, p. 61.*

IT IS FURTHER ORDERED that Arizona Public Service Company shall develop a proposed residential demand response tariff and plan for deploying in-home metering devices and providing transparent information regarding real-time pricing of power and real-time renewable energy generation, and submit the plan as a compliance item in this docket, for Commission consideration, no later than 60 days from the effective date of this Order. *ACC Decision No. 71448, p. 61.*

In compliance with these requirements, APS has on this date, in a new docket, filed a Demand Response Plan Report addressing both of these ordering paragraphs.

If you have any questions, please call Erinn Andreasen at 602-250-3276.

Sincerely,

Leland R. Snook
